

1940 W. Market St.
PO Box 486
Nappanee, IN 46550

Welcome!

Thank you for choosing inTech for your trailer purchase. We look forward to assisting you with the pickup and review of your new trailer. Below are a few helpful tips to help prepare you for your experience at our facility.

It is critical that you set up an appointment with one of our sales personnel prior to your arrival as we often have multiple customer pickups on the same day. We want to make sure that your unit is ready for you, pulled out front for delivery and that we can spend the proper amount of time with you going through the unit. This is a free service provided by inTech and we will commit up to 2 hours with you, including a tour, if you desire, as well as reviewing your trailer and processing paperwork.

Once your paperwork is complete you may hook up to your trailer. **For liability reasons, we are not permitted to assist you in coupling your trailer and tow vehicle or modifying any of your trailer towing components. (ie. Changing your ball height, setting up your weight distribution system, etc.)**

What You Should Bring

There are a few items that are commonly forgotten when a trailer is picked up at the factory:

- Our trailers use a 2 5/16" ball, unless specifically ordered otherwise.
- Our trailers use a standard 7-way blade connector plug, unless ordered otherwise. (Diagram Attached – Please make sure your 7 way is wired the same!)
- Hitch pin/Lock
- Paperwork provided by the dealer including temporary plate.
- Tools to install or adjust ball height on your tow vehicle.
- Torque wrench for checking lug nut torque during transportation home.
- Tie down straps or airline track tie down rings if transporting a vehicle/items in your trailer.
- A valid driver's license.

Where We Are Located:

Our property is located at 1940 W. Market St. in Nappanee IN 46550. Market Street is also known as US 6 and we are on the west side of Nappanee.

From the North, go south on IN-19 into downtown Nappanee. At the main stop light in town take a right on to US 6 (Market St.) Follow US 6 west for 1.3 miles and inTech Trailers will be located on the north side of the road after the self-storage buildings.
